

# BARASTOC CATTLE CUBES

*A grain-based, pelleted supplementary feed for cattle for feeding with pasture, hay or silage.*

## FEATURES & BENEFITS

- General purpose feed for feeding to cattle.
- Grain-based feed for supplementing all forage sources.
- Palatable ingredients in a pelleted form to reduce separation and selection.
- Includes balanced levels of minerals, trace elements and vitamins to help maintain animal health.
- Includes a mould control agent to help reduce the risk of mould growth.

## FEEDING DIRECTIONS

- Feed in self-feeders, troughs or on the ground in conjunction with unlimited access to forage (pasture, hay or silage).
- It is preferable to use self-feeders or troughs as feeding on the ground will lead to wastage.
- Start feeding at the rate of 0.25 kg per 50 kg liveweight per head per day, increasing over 14 – 21 days to 1.0 kg per 50 kg liveweight per head per day.
- Do not feed more than 3 kg per meal.
- Ensure adequate feed space is available to allow all stock to eat at the same time and to reduce the risk of bullying and/or animals gorging on feed.
- When using self-feeders:
  - Adjust slide settings to help regulate feed intake
  - Set the feeder slide so that animals have to lick the feed from under the slide
  - Adult cattle will need up to 35 cm of trough space per head.
- When using troughs:
  - Adult cattle will need up to 60 cm of trough space per head
  - If feeding by hand into troughs, split the daily allocation into two feeds.
- Ensure fresh, clean drinking water is available.

## ANALYSIS

ELEMENTS/NUTRIENTS/VITAMINS	NUTRIENT LEVELS IN 1 KG DRY MATTER AT 89%
Crude Protein (minimum)	11.2%
Urea (maximum)	1.1%
Metabolisable Energy (ME) Ruminant (minimum)	9.0 MJ
Crude Fibre (maximum)	28.0%
Crude Fat (minimum)	1.7%
Calcium (minimum)	0.73%
Phosphorus (minimum)	0.34%
Magnesium (minimum)	0.29%
Salt (maximum added)	0.6%
Copper (added)	50.50 mg
Zinc (added)	168.50 mg
Selenium (added)	0.56 mg
Manganese (added)	78.65 mg
Cobalt (added)	1.69 mg
Iodine (added)	1.12 mg
Iron (added)	22.47 mg
Vitamin A (added)	7,303 IU
Vitamin D <sub>3</sub> (added)	899 IU
Vitamin E (added)	16.85 mg

**PRODUCT CODE:** 109114 (bulk only)

**STORAGE REQUIREMENTS:** Store under cover in a cool, dry place, below 30°C and protected from exposure to direct sunlight.

**WARNINGS:**

- This feed has been formulated specifically for animals as described, and must not be used for other species of animals.
- This feed is unsuitable for human consumption.
- The manufacturer accepts no responsibility if this feed is used in quantities, conditions or in any way other than in accordance with the manufacturers recommendations.
- THIS PRODUCT DOES NOT CONTAIN RESTRICTED ANIMAL MATERIAL.
